Subject: Memo list

Per your request, here is a list of many of the documents and memos that I generated in the last three years. They are ordered by reverse chronology within major subject area.

#### 1251/6402

03/31/83 Speech Handler Preliminary Specification  
02/18/83 FPP compatibility problem (LOGO)  
01/19/83 FRED critique  
01/18/83 FRED semi-test plan  
01/13/83 6402 Operating System Tasks  
12/14/82 6402 Floppy Disk Controller Protocol

#### AMOEBA

03/24/83 AMOEBA status  
12/28/82 " "  
12/06/82 " "  
12/03/82 " "  
11/24/82 " "  
11/03/82 " "

#### COMPUTER ARCHITECTURE RESEARCH

11/29/82 68000 real-time Operating System acquisition  
11/16/82 Computer Architecture Research Project Plan  
06/03/82 Graphics subsystem  
05/20/82 Analysis of timing of sprite update using the 68000  
05/12/82 Video display generation  
05/05/82 Next generation microcomputer selection  
04/28/82 New machine concept

#### A300/Z800/SW-16

01/19/83 Atari product comparison matrix  
06/01/82 Atari O.S. interface rules  
?? Presenting: The Atari 1200!  
08/31/82 Sweet-16 operating system ERS (last of many versions)  
08/09/82 Sweet-16 operating system magic addresses  
04/02/82 ROMable operating system for the Sweet-16  
02/03/82 Fixed key assignments for the Sweet-16  
02/03/82 Operating system timers (PAL/NTSC)

01/25/82 Definition of Sweet-16 international character set  
12/30/81 ACMI module prototype  
11/23/81 Z800 operating system IDS  
09/11/81 Research report on Z800/A800 compatibility, part 2  
09/07/81 Modem module interface conceptual description  
08/26/81 Research report on Z800/A800 compatibility, part 1

#### O.S. USER'S MANUAL

01/13/83 Error in review of A1200 O.S. manual supplement  
01/10/83 Review of A1200 O.S. manual supplement  
12/13/82 Review of O.S. documentation  
12/01/82 Rev. B operating system documentation  
10/17/82 O.S. User's Manual maintenance problems  
08/27/80 O.S. User's Manual (first draft)

#### MISCELLANEOUS

06/11/81 CP/M machine requirements spec & feasibility study  
02/20/81 Functional spec for a DOS 3 disk cleanup utility  
12/15/80 Atari 810 peripheral device description  
11/14/80 Disk protection meeting minutes  
11/11/80 Atari PILOT internal specification  
10/27/80 Atari PILOT external specification
